TA CORPORATION LTD.

(Incorporated in the Republic of Singapore)

Company Registration No.: 201105512R

ENTRY INTO DEBT RESTRUCTURING AGREEMENTS WITH TIONG AIK CONSTRUCTION PTE LTD (IN LIQUIDATION) AND BANKS IN RELATION TO DEBT RESTRUCTURING PLAN

1. INTRODUCTION

- 1.1 The board of directors of TA Corporation Ltd. (the “**Company**”, and together with its subsidiaries, the “**Group**”) wishes to announce that the Company has, on 27 March 2025, entered into definitive agreements to implement its debt restructuring plan (“**Debt Restructuring Plan**”).
- 1.2 For the purposes of the Debt Restructuring Plan, the Company’s subsidiaries which are placed under liquidation such as Tiong Aik Construction Pte Ltd (in liquidation) (“**TAC**”) and Tiong Aik Resources (S) Pte Ltd (in liquidation) (“**TAR**”) are not considered part of the Group.

2. RATIONALE FOR DEBT RESTRUCTURING PLAN

- 2.1 On 17 June 2023, the Company voluntarily suspended the trading of its securities when its wholly-owned subsidiary, TAC, was placed under provisional liquidation (now under liquidation). The board of directors of the Company considered that it was prudent to put in place the voluntary suspension having regard to:
- (a) the Group’s plans to engage in a broader and more holistic manner with its lenders, holders (“**Noteholders**”) of its S\$27,000,000 6% Series 003 medium-term notes (ISIN: SGXF74214317) (“**Notes**”), business partners, suppliers and customers in relation to TAC’s liquidation and its consequent implications on the Group; and
 - (b) the Company’s financial exposure arising from parent guarantees and other forms of financial support for TAC and projects undertaken by it in its ordinary course of business, and the possibility of cross-defaults being triggered by TAC’s liquidation for loan facilities taken by other members of the Group.
- 2.2 Since then, the Company has been working rigorously on managing and stabilising the Group’s financial position. This includes entering into a settlement agreement with TAR to settle the net amount of S\$5,220,698.90 owed by Sino Holdings (S’pore) Pte Ltd (“**Sino Holdings**”) to TAR (“**Settlement**”) by (a) making a cash payment of S\$300,000 and (b) issuing mandatory convertible notes of a principal amount of S\$330,000 (“**TAR Notes**”) to certain persons at the direction of the liquidators of TAR which were issued on 17 March 2025. It has also been working closely with its professional advisers on identifying the key financial exposures arising from the liquidation of TAC and a plan to address these issues with a view to a resumption of trading of the Company’s securities.

2.3 Following an extensive review of the financial position and commitments of the Group, the Company, with the support of its professional advisers, has assessed that the key areas of concern on financial exposure arises from:

- (a) approximately S\$64.6 million owed to TAC (“**Group Outstandings**”) (which, if set-off against approximately S\$13.7 million owed by TAC to the Group (“**TAC Outstandings**”), results in the net amount of approximately S\$50.9 million owed by the Group to TAC (“**TAC Liabilities**”));
- (b) approximately S\$39.9 million owed to bank lenders, namely United Overseas Bank Limited (“**UOB**”) and Oversea-Chinese Banking Corporation Limited (“**OCBC**”, and together with UOB, the “**Bank Lenders**”), arising from corporate guarantees given by the Company for the benefit of TAC’s ordinary course of business (“**Bank Guarantee Liabilities**”); and
- (c) approximately S\$26.9 million owed under the Notes to the Noteholders thereof (“**Notes Liabilities**”).

2.4 The Debt Restructuring Plan formulated by the Company seeks to restructure the payment terms and timeline for, and/or otherwise settle, the aforesaid amounts (aggregating approximately S\$117.7 million). Broadly, this envisages that:

- (a) TAC Liabilities would be eliminated by way of a debt restructuring agreement (“**TAC Debt Restructuring Agreement**”) which proposes that, amongst others:
 - (i) there be a mutual release and discharge of liabilities, where TAC releases the TA Group Entities (as defined below) from the Group Outstandings, and the TA Group Entities release TAC from the TAC Outstandings;
 - (ii) S\$13 million be paid to TAC (whether cash, in-kind or other forms of agreed consideration such as mandatory convertible notes to be issued by the Company); and
 - (iii) the Group ringfences TAC from Bank Lenders liabilities of up to approximately S\$39.9 million by confirming and promising to assume the same.
- (b) Bank Guarantee Liabilities would be restructured to be repaid over five (5) years, pursuant to a separate debt restructuring agreement with the Bank Lenders (“**Banks Debt Restructuring Agreement**”); and
- (c) Notes Liabilities would likewise be restructured, pursuant to a consent solicitation exercise which is envisaged to take place and complete within 2025.

6. APPROVALS RELATING TO THE ISSUANCE OF TAC NOTES AND TAC CONVERSION SHARES

6.1 Private Placement

The TAC Notes, including the allotment and issuance of any TAC Conversion Shares, will be issued pursuant to the exemptions under Section 272B of the Securities and Futures Act 2001 of Singapore (“**SFA**”) and in compliance with all the conditions of the exemptions in the SFA therein. As such, no prospectus or offer document or other information statement will be issued by the Company and lodged with the SGX-ST acting as agent on behalf of the Monetary Authority of Singapore in connection with the allotment and issuance of TAC Conversion Shares.

6.2 Specific Shareholder Approval

6.2.1 Under the TAC Debt Restructuring Agreement, unless redeemed earlier by the Company, the whole of the amount outstanding under the TAC Notes (comprising outstanding principal and all accrued and unpaid interest thereon) as at the date of resumption of trading of securities of the Company on the SGX-ST shall be automatically and mandatorily converted into TAC Conversion Shares at the Conversion Price.

6.2.2 Section 161 of the Companies Act 1967 and Rule 805(1) of the Listing Manual Section A: Rules of Mainboard of SGX-ST (“**Mainboard Rules**”) provide, *inter alia*, that an issuer must obtain the prior approval of shareholders in general meeting for the issue of shares or convertible securities or the grant of options carrying rights to subscribe for shares of the issuer unless the issue of shares or convertible securities or the grant of options carrying rights to subscribe for shares of the issuer is made pursuant to a general mandate previously obtained from shareholders of the issuer at a general meeting as provided in Rule 806 of the Mainboard Rules.

6.2.3 Prior to the issuance of the TAC Conversion Shares, the Company will:

(a) seek the approval from its shareholders for the allotment and issuance of the TAC Conversion Shares (whether pursuant to a general share issue mandate granted by the Company’s shareholders at an annual general meeting of the Company or a specific approval of shareholders to be obtained at a general meeting to be convened); and

(b) make an additional listing application to the SGX-ST for the listing of and quotation for the TAC Conversion Shares on the Mainboard of the SGX-ST.

6.3 Placement to Restricted Persons

6.3.1 Rules 804 of the Mainboard Rules provides, *inter alia*, that except in the case of an issue made on a *pro rata* basis to shareholders or a scheme referred to in Part VIII of Chapter 8 of the Mainboard Rules, no director of an issuer, or associate of the director, may participate directly or indirectly in an issue of equity securities or convertible securities unless shareholders in general meeting have approved the specific allotment.

6.3.2 Rules 812(1) and (2) of the Mainboard Rules further provide that an issue must not be placed to, *inter alia*, the issuer’s directors, substantial shareholders and the immediate family members of the directors and substantial shareholders, unless specific shareholders’ approval is obtained for such placement.

- 6.3.3 To the best knowledge of the Company: (a) none of the restricted person set out under Rule 804 of the Mainboard Rules will participate, directly or indirectly, in the issuance of the TAC Notes or the allotment and issuance of the TAC Conversion Shares; and (b) the TAC Conversion Shares will not be issued to any of the restricted persons set out under Rule 812(1) of the Mainboard Rules.

6.4 Transfer of Controlling Interest

Rule 803 of the Mainboard Rules provides that an issuer must not issue securities to transfer a controlling interest without prior approval of its shareholders in general meeting. To the best knowledge of the Company, the issuance of TAC Conversion Shares will not result in a transfer of controlling interest under Rule 803 of the Mainboard Rules.

7. NON-APPLICABILITY OF CHAPTER 10 OF THE MAINBOARD RULES

- 7.1 Given that TAC is under liquidation and not within the control of the Company, the Company has consulted SGX-ST whether the ringfencing of TAC from Bank Lenders liabilities of up to approximately S\$39.9 million by confirming and promising to assume the same through the entry of the Deed of Novation would be considered to be “assuming the (debt) obligations of another” and hence giving “financial assistance” to TAC as a third party under Chapter 10 of the Mainboard Rules.

- 7.2 The Company has on 26 August 2024 received the confirmation from SGX-ST that as the ringfencing of the Bank Lenders liabilities should be undertaken together as part of the Group’s Debt Restructuring Plan, it is agreeable to the view that Chapter 10 of the Mainboard Rules is not applicable to the ringfencing of TAC from Bank Lenders liabilities.

8. INTERESTS OF DIRECTORS AND CONTROLLING SHAREHOLDERS

Save for their interests (if any) arising by way of their shareholdings and/or directorships, as the case may be, in the Company, none of the directors or substantial shareholders of the Company or their respective associates has any interest, whether direct or indirect, in the Debt Restructuring Plan or any of the legally-binding definitive agreements entered into in relation thereto.

9. FURTHER ANNOUNCEMENTS

Further announcements on the Debt Restructuring Plan will be made in due course as and when appropriate, including if there is any adjustment or amendment to the terms of the proposed issuance of TAC Notes.

10. DOCUMENTS AVAILABLE FOR INSPECTION
